SPONSORSHIP
INFORMATION**

Silver Fox Equine (SFE) offers a grassroots show series. SFE hosts 6 shows, including a championship show. SFE shows focuses on creating a positive, safe, and inclusive competition environment. The shows are “schooling shows,” meaning they are designed to provide an introduction into the world of showing for horses & riders. Each show boasts exciting prizes and opportunities to qualify for year end awards!

Competitors can expect well designed courses, high quality judging, professional footing, an on-site medic, and fully insured events. We are excited to offer a variety of hunter and jumper classes, English and Western dressage, and eventing.

ABOUT US

Schooling shows are needed so that riders can learn the ropes of showing in a safe and fun environment. SFE looks for sponsors to help make our shows a memorable event that competitors will keep coming back to. Your sponsorship will allow us to continue offering these much-needed and high quality schooling shows.

PROJECTED AUDIENCE

2023 & 2024 saw up to 75 competitors at the shows. Most of our competitors return each year and our shows have seen a 30% growth year-to-year. SFE is proud that competitors refer their friends to join us as well! The average competitor brings 3 people with them. SFE projects 200 or so people per show will be on site.

Sponsors are welcome to set up a booth at any show to promote their product free of charge!
